| <b>Project Name</b>  | FIT BUDDY AI      |
| <b>Maximum Marks</b> | 1 Mark            |

### Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

| <b>Aspect</b>             | <b>Details</b> |
|---------------------------|----------------|
| Team Leader / Coordinator | Nancy S        |

| S.No | Team Member Name  | Role in Demo                 | Section Presented            | Contribution Summary         | Participation (Active / Passive) |
|------|-------------------|------------------------------|------------------------------|------------------------------|----------------------------------|
| 1    | Nancy S           | Presenter                    | Project overview & use cases | Documented in project report | active                           |
| 2    | Pooja k           | AI Model presenter           | AI model selection           | Documented in project report | active                           |
| 3    | Tharun N          | Core functionality presenter | Core functionality           | Documented in project report | active                           |
| 4    | Sanjai dharshan R | Backend & API Presenter      | Backend & API routing        | Documented in project report | active                           |
| 5    | Nisha S           | -                            | -                            | -                            | -                                |
| 6    | -                 |                              |                              |                              |                                  |

### Team Coordination Notes:

|                                       |   |                                                          |
|---------------------------------------|---|----------------------------------------------------------|
| Overall Team Coordination Rating (15) | N | 15/15                                                    |
| Any issues during demo                | N | No major issues                                          |
| How issues were resolved              | N | Team members coordinated and resolved the issues quickly |
